

ROARING THROUGH THE NEW TESTAMENT

Dear Parents of Trailblazers & 56ers,

ROARING THROUGH THE NEW TESTAMENT is a discipleship program developed with permission from Children's Bible Ministries. Children who have made a decision to follow Jesus are encouraged to start this discipleship program. 56ers children are recommended to complete this program before graduating from Kids Church.

There are 14 chapters (2 pages each) to complete, preferably on a weekly basis or at the child's own pace. It should not take more than six months to complete the Bible questions which explore foundations of the Christian faith to living the Christian life. Children will be awarded a certificate upon completion of this program, to be presented to them during Kids Church.

It is available for sale through the ROAR Office at Knox at the cost price of \$5.00 each. To order, fill in this order form and place in an envelope addressed to the ROAR OFFICE (Knox), together with your payment. Please ensure that your child's name is written below as the booklet will be given directly to your child.
