

MinistryTrax >> 365 Information Guide 2009

Program Content

For young people between the ages of 17-19 who have finished school and want to take a 'year out' (365 days) serving God and growing in their faith before starting Uni or work.

This is a brand new program kicking-off in 2009 and we can't wait to get started!

1. SERVING:

2 days a week* for 36 weeks of the year* you'll join the amazing CityLife team to add your time and talent to the work of Epic, Oxygen, ROAR or ArtwoRx. Depending on the department you choose to work in, you'll be doing things like:

- assisting with lunchtime programs in the schools
- connecting with kids/youth in the local community
- building relationships with kids in the church
- preparing for weekend meetings or youth events
- learning how to run ministry events
- hanging out with the team
- generally getting alongside your ministry leaders and helping them to do what they do!

2. TRAINING:

While you're helping us, we'd like to share some of our best-kept-ministry-secrets with you! You'll be given opportunity to join-in on some of the Internship training and hear from experienced CityLife pastors and leaders on topics such as:

- leadership
- prayer
- time management
- creativity & worship
- effective ministry practice
- pastoral care

3. MISSIONS :

For those 365'ers who are interested, MinistryTrax will help you secure a place in an overseas or local missions trip team where you can use your skills to serve outside your own CityLife community for a couple of weeks throughout the year*.

*You'll have school holidays off so you can still hang with your friends

*Tuesday's and one other day - which still gives you time to do some part-time work

*The missions trip is self-funded
