## SHORT TERM TEAMS

### WHY? SHORT TERM MISSIONS

*"Experiencing poverty first hand and staring justice in the eyes; you can't not be moved."*  
- Shelley

*"STT's are a great way to learn, grow, build friendships, and see firsthand what God is doing in the lives of the unreached."*  
- Loreto

*"Since going to Cambodia my eyes have been opened to things bigger than those in my immediate world. I am more aware, more prayerful, more considerate, and more active in helping those in a more desperate situation than mine. I continue to learn what God is talking about in Matthew 25:31-46."*  
- Amanda

*"Before my STT I was unhappy in my job and too comfortable with life. On the STT, I was taken out of my comfort zone, learned to rely on God at a much higher level and now live my life with purpose!"*

*"Going to Ethiopia was a life-changing experience for me. It was an honour to be with and learn from people with radically different cultural paradigms. Most people I talked with had never seen the sea. We have so much to learn and much to give."*  
- Andrew
